Celebration on August 14th 2:00 - 8:00

We will celebrate this important milestone with an afternoon barbecue, as well as singing, kayaking, guided hikes, and a worship service. No registration is necessary for those coming for the day. For those interested in staying the night, please complete the attached registration slip. The cost is \$40.00 per person, which will include a brunch on August 15th and overnight accommodations.
