WOMEN'S RETREAT

AUG. 29 - SEP. 1, 2025

To Believe in God:

REACHING FOR FAITH IN PERILOUS TIMES

What does it mean to search for God amid uncertainty, division and overwhelming circumstances?

Join The Rev. Liz Tichenor and women from across the region to engage in meaningful questions and envision how we can create a path toward abundant living.

Soak up the beauty of God's creation at Galilee as we look forward to moments of sharing and reflection as a group. We will nurture ample opportunities to rest, explore the lake, and enjoy each other's supportive company.

any solace
but to give ourselves
into the love
that will never cease
to find us.
