

*Galilee*  
**WOMEN'S RETREAT**

SEP. 4-7, 2026

*Brave Enough to Hope:*  
**FAITH, COURAGE, AND JUSTICE IN THE STORM**

**What does it mean to be women of faith in a world that feels divided, anxious, and overwhelming?**

At Galilee, we will gather to rest deeply, ask honest questions, and rediscover the courage that lives within us. Through guided sessions, small groups, embodied practices, play, prayer, and time at the lake, we will explore how hope is not naïve optimism — but a brave, communal act.

Come ready to breathe, to laugh, to reflect, to swim, to sing, to wrestle, and to remember that you are not alone.

Led by the Rev. Hannah Wilder and Dr. Kathy Wilder.

*On that day, when evening had come, he said to them, "Let us go across to the other side." And leaving the crowd behind, they took him with them in the boat, just as he was. Other boats were with him. A great gale arose, and the waves beat into the boat, so that the boat was already being swamped. But he was in the stern, asleep on the cushion; and they woke him up and said to him, "Teacher, do you not care that we are perishing?"*

*- Mark 4:35 - 41*

In Mark's Gospel, the disciples find themselves in a boat with Jesus as a storm rises around them. Afraid and overwhelmed, they cry out, "Teacher, do you not care that we are perishing?"

Many of us know that question. What does faithful courage look like in uncertain times? Who are we becoming in the boat?

This year's theme, **Brave Enough to Hope**, invites us to gather in a time that often feels uncertain and overwhelming. Together we will explore how faith is not about pretending everything is fine — but about discovering courage in community.

You can expect meaningful teaching, small groups with printed prompts, time for play and rest, opportunities for art and prayer, and space to enjoy the beauty of Lake Tahoe. There will be moments of laughter and moments of depth. You are welcome in all of it.
