THE GREAT PEDAL

1,000 MILES. ONE MISSION. TO SUPPORT GALILEE.

In this inaugural fundraising event, Galilee Food Services Director Chadwick Clark will embark on an incredible journey, cycling solo from Galilee to Las Vegas and back—within a span of just six days in October.

Chadwick will ride an impressive **175 miles each day** to highlight the mission of raising funds for Galilee's programs and projects. His route will have an **elevation gain of 68,000 feet**, more than twice the elevation of Mt. Everest. Is it an impossible feat? Perhaps. As Chadwick puts it:

> **"I'm not sure how to encapsulate just how hard this will be... but each day will be longer than most Tour de France stages."**

Chadwick's goal is to secure **$20,000** in sponsorships to support Galilee. He already has $10,000 committed in pledges. **Please help Chadwick reach his fundraising goal by using the QR code or the enclosed donor envelope** to support him on his Great Pedal. And thank you if you've already given or pledged!
